Welcome to the Touro Infirmary Medical Staff!

On behalf of the hospital administration and the entire Touro Medical Staff, we are pleased you have chosen to practice at Touro.

This folder of information will provide an overview and orientation to our facility. We hope you will find the information provided informative and helpful.

As you begin your practice at Touro, please know that we are here to help answer your questions and make your orientation and continued practice as smooth as possible.

If there is anything we can do to help you, please contact the Medical Staff Office at (504) 897-8392.

Sincerely,

Jim Montgomery
President & CEO
Touro Infirmary

Michael Adinolfi, MD
President
Touro Medical Staff
All patients should have a pre-op appointment prior to surgery.

- The patient’s pre-op appointment may be made at the time the surgery is scheduled with the OR schedulers by calling (504) 897-8438.

- The pre-op appointment may also be made with the pre-assessment staff by the physician office or patient by calling (504) 897-7771. Patients without a scheduled appointment are welcome and will be seen when a nurse is available.

Please fax all orders, consents, H&P, and other required information to the pre-assessment center at (504) 897-7702.

The pre-op appointment includes:

- An interview with the patient by a registered nurse during which an application is obtained.
- The patient will meet with a member of the anesthesia department (either a CRNA or MD) and complete all ordered diagnostic testing.
- Anesthesia pre-operative orders require a BMP, CBC without diff and an EKG on all patients receiving anesthesia. All tests and additional tests ordered by the surgeon are completed during this visit.
SCHEDULING AND ADMITTING

Scheduling
Hours: Monday – Friday, 8 a.m. – 5:30 p.m.
Phone: (504) 897-8885
Fax: (504) 897-7702
Contact: Susan Martin, Manager (504) 897-8788 or susan.martin@touro.com

Admitting Office
Location: 3rd Floor
Hours: Monday - Friday, 7 a.m. - 5 p.m.
Phone: (504) 897-8546
Fax: (504) 897-7702
Contact: Stephanie Borne, Manager (504) 897-7890 or stephanie.borne@touro.com

Services for the following departments are arranged through Centralized Scheduling and Admitting:

- **Touro Imaging Center**: CT, MRI, PET, General X-Ray, Ultrasound, Breast Imaging (Mammography, Ultrasound, Breast Biopsies) *(only arranged in centralized scheduling)*
- **Touro Ambulatory Treatment Center (ATC)**: Endoscopy, Infusion Therapy
  *Chemotherapy not provided with ATC*
- **Cardiology**: Stress Test, Dopplers (Venous and Arterial)
- **Cath Lab**
- **Interventional Radiology and Radiology**
- **Nuclear Medicine**
- **Pulmonary**
- **Pre-Op/One Day Surgery Registration** *(only arranged in Admitting)*

All Direct Admits (inpatient and observation) should go to the Emergency Department Registration area on the 1st floor to be admitted to the hospital. Patients should always bring a copy of their ID and insurance card with them.

Emergency Department Registration Area Phone: (504) 897-8008
Physician orders should be faxed to (504) 897-7702.
Located: Touro Infirmary, 3rd floor

Hours of Operation: Monday – Friday, 6:30 a.m. – 4 p.m.
The OR is staffed until 7 p.m. and has on-call staff for emergencies.

Phone: (504) 897-8300   Fax: (504) 897-7853

Contacts: Suzanne Hoffpauir, RN, Director of Preoperative Services (504) 897-8133 or suzanne.hoffpauir@touro.com;
Emma Bastian, RN, BSN, CNOR, Surgery Patient Care Manager (504) 897-8173 or emma.bastian@touro.com

Request a Locker:
To request a locker, contact Aimee Falgout, RN, BSN, CNOR, (504) 897-8300 or aimee.falgout@touro.com.

Scheduling Surgery:
To schedule a surgery, contact Monica Campbell or Judy Keith, Surgery Schedulers, at (504) 897-8438, monica.campbell@touro.com or judy.keith@touro.com.

Contact the Pre-Assessment Center at (504) 897-7771 or one of our Surgery Schedulers to schedule a pre-op appointment.

Inpatient Surgery
Touro offers comprehensive inpatient and outpatient surgical services and provides:
• Specialized care from an experienced team of surgeons, nurses, technicians and other healthcare professionals
• Comprehensive pain assessment and management
• The latest technology and surgical procedures to promote faster, less painful healing
• Nurses, social workers and support staff to assist patients throughout their hospital stay.

da Vinci Surgery at Touro
Touro has the da Vinci® Si™ Surgical System, powered by the most advanced robotics available. The da Vinci® system expands the surgeon’s capabilities, allowing them to perform major surgeries through smaller incisions than traditional surgery.
One Day Surgery and Ambulatory Treatment Center (ATC)

One Day Surgery and ATC are 2 separate units that offer different services as follows:

One Day Surgery (ODS)
- Major/Minor Surgery
- Cath Lab Patients
- Radiology special procedures
- Lumbar puncture (Admitted through ODS, but done in Radiology special procedures)
- Thoracentesis (Admitted through ODS, but done in Radiology special procedures)
- Paracentesis (Admitted through ODS, but done in Radiology special procedures)
- Bronchoscopy (Admitted through ODS, but done in Radiology special procedures)
- Epidural Steroid Injection (Admitted through ODS, but done in Radiology special procedures)

Ambulatory Treatment Center (ATC)
- Blood transfusion
- Infusions
- Injections
- GI endoscopy
- Port Flush
- Pill Camera Studies
- PH Monitor
- Bone Marrow
- Therapeutic Phlebotomy
- Cortrosyn Stimulation Test
- Plasmaphoresis
Location: Touro Medical Office Building, 3525 Prytania Street, 1st Floor
Hours of Operation: Tuesday – Friday, 7:30 a.m. – 4:30 p.m. blocked scheduling available
Phone: (504) 897-8880
Fax: (504) 897-8886

About Touro Ambulatory Surgery Center (TASC)
The Center was designed with the needs and expectations of physicians and patients in mind. This specialized facility performs more than 1,600 procedures annually and has a highly skilled staff with extensive training in the operating room and acute post recovery unit.

Convenient Scheduling for Physicians
• Blocked scheduling available
• Personalized surgery booking by phone or fax during business hours
• 10-15 minute turn around time between procedures

The Facility
• 3 Operating Rooms, 7-bed recovery room
• Free patient parking
• Pathology services available, including frozen section

Satisfied Patients
• Patient satisfaction scores of 96%, significantly higher than the national average (92%)
• Personalized telephone calls from nursing staff to all patients pre and post procedure
• One-on-one patient interviews before every procedure

Clinical Excellence
• Low rate of infection, <1%
• Experienced, ACLS-certified registered nurses and techs with an average of 10 years experience
• Anesthesia services provided by Parish Anesthesia

TOUR O IMAGING CENTER &
WOMEN’S IMAGING CENTER

Location: 2929 Napoleon Avenue, at the corner of Napoleon and South Claiborne

Hours of Operation: Monday – Friday, 7 a.m. – 5 p.m.

Phone: (504) 897-8600
Fax: (504) 897-7702

Contacts:
• Ray Burger, Imaging Center Director (504) 897-8624 or Robert.Burger@touro.com
• Julie Johnson, Women’s Imaging Supervisor (504) 897-8671 or julie.johnson@Touro.com

The Touro Imaging Center offers comprehensive, all-digital diagnostic imaging services in a relaxed, spa-like atmosphere. Touro’s radiologists read, review, and approve radiology reports electronically and provide immediate electronic viewing online and same-day reports.

The Touro Imaging Center offers:
• 3T MRI
• 64 slice CT
• PET/CT fusion
• General X-Ray
• Ultrasound
• Fluoroscopy (Arthograms)

The Touro Women’s Imaging Center offers:
• Full-field digital mammography (screening and diagnostic)
• Breast MRI
• Breast ultrasound
• Ob/Gyn ultrasound
• DEXA bone densitometry
• Stereotactic and image-guided breast biopsies and aspirations
• Surgical needle localization
• Ultrasonic cyst aspirations

Certifications and Accreditations

Touro Infirmary’s Women’s Imaging Center has been designated a Breast Imaging Center of Excellence by the American College of Radiology.

Touro’s Imaging Center is an FDA certified facility, accredited by the American College of Radiology (ACR) for mammography (general and stereotactic biopsy), ultrasound (general and breast), MRI (general and breast), CT and PET.
