

## **Physician E-Signature**

Options	
SoftMed	User ID Password
	Exit
© 2004 SoftMed Systems, Inc.*	

After launching SoftMed, you will be prompted for the User ID and Password provided by the Physician Services Department or Information Services.

Simply enter the information and select *Login*.

The application that allows you to remotely electronically sign your dictated medical documentation is called *ESA*.

Click on the tab to launch ESA.

The first window you will see has <u>two</u> very important features:

•View the complete list of medical documentation requiring your e-signature (sorted by patient name and document type). In order to view this list, click on the *Delinquency Details* tabs.

•Search for specific documentation by date, patient name, or document type.

## Double-click a patient's name to view the full report.

Click *Sign* to approve the dictation, or click *Edit* to make any necessary changes.

In the *Edit* mode, you can change the dictated text and make any changes to the CC list (see taskbar).

When you are done editing, click *Save*. This will save your changes and take you back to the previous screen.

## Click *Sign* to release a pending document.
